

Let the next big development project you work on be *you*.

EARN FREE ONLINE CONTINUING EDUCATION CREDITS

At BIA, we want to be a credit to your profession. Literally. Architects can now earn AIA/CES learning units by completing classes on the changing face of brick veneer construction. For free. The classes are online—so you can take them when time allows. From your home or your office. How convenient is that?

Get started today at
www.gobrick.com/education.

NEW COURSES INCLUDE:

Boosting Energy Performance in Brick Walls

1 AIA/CES LU (HSW)

Brick Masonry Rain Screen Walls

1 AIA/CES LU (HSW)

Additional courses will be added throughout 2015.
