What is the Indiana Construction Industry Conference?

The Indiana Construction Industry Conference is an annual gathering of Indiana's construction professionals. Morning sessions offer educational opportunities, and afternoons are free to network, relax and enjoy Fort Lauderdale.

Join the members of the eight sponsoring associations: American Concrete Pavement Association – Indiana Chapter; American Council of Engineering Companies of Indiana; American Institute of Architects of Indiana; Asphalt Pavement Association of Indiana; Indiana Construction Association, a Chapter of AGC of America; Indiana Equipment Distributors; Indiana Mineral Aggregates Association and Indiana Ready Mixed Concrete Association as we examine new ways to help build a better Indiana.

The 2016 conference marks the return of the popular Sponsors' Party cruise — this time along Fort Lauderdale's Intracoastal Waterway.

"Overall this conference was well organized, successful, and my experience was pleasurable."
