***MKM architecture + design* partner honored at Ball State University Alumni Symposium.**

MKM architecture + design (MKM) partner, Dodd Kattman, AIA, LEED AP, was recently honored at the Ball State University Alumni Symposium with an *Award of Outstanding Achievement*, a prestigious award given to selected alumni who are making outstanding contributions to their profession and to society.

Kattman offers more than 25 years of project leadership with a special focus on senior living and care environments as well as buildings that celebrate civic spirit. Through his role as senior living managing partner, he dedicates time to design, research, and present topics that elevate the expectations of supportive environments that promote the process of aging with dignity in communities. Dodd participates in many local, regional, and national initiatives that sharpen these priorities, including his current role as co-chair of the American Institute of Architects (AIA) “Design for Aging Knowledge Community.”

MKM architecture + design is an award-winning design firm dedicated to enhancing the health and well-being of the communities in which we work and live. With our diverse project experience and passion for innovation, we are dedicated to creating healing environments for all ages and abilities. For more information, visit www.MKMdesign.com or call us at 260-422-0783.
