Summer Risk Management & Networking Series 2017

New Format!

We are excited to continue our annual agency loss prevention series. Please join us as we shift to an afternoon program this year. We look forward to an interactive discussion with all of you! We also look forward to an opportunity for fun, productive networking at the conclusion of the risk management session. Everyone who registers ahead of time will receive 1 free drink ticket for the networking session. We are happy to provide light snacks. Cash bar also available.

Play a Game of: Name that Policy!

Do you ever wonder which of your insurance policies would respond if you had a claim? Okay, maybe this question does not occupy your Friday nights, but we bet at some point this question has crossed your mind! We will challenge you to a game of "Name that Policy" and provide some claim scenarios to help you gain a better understanding of how your professional liability and property and casualty policies respond to claim situations.

Construction Law for Architects & Engineers:

Let one of our local construction law legal experts, Gregory Cafouros, guide you through an informative discussion taking you from the fundamentals of contract formation to focusing on specific contract provisions: Payment Terms; Failure to Perform; Material/Non-Material Breach. We will also highlight subcontract formation and administration and ambiguous contract terms. Claim cases will also be presented.

Presenters:

Holly Gill-Gaither & Kristen Sprunger: Walker & Associates Insurance

Holly & Kristen head up the Design and Construction Professionals unit at Walker & Associates. Combined they have nearly 30 years of commercial insurance experience. Both have earned their Certified Insurance Counselor designations. Both Holly & Kristen deliver professional liability and property & casualty products for their clients as well as risk assessment and contract review assistance. Holly currently serves as a director for a/e ProNet, while Kristen serves on the education committee for the Independent Insurance agents of Indiana.

Gregory Cafouros: Partner, Kroger Gardis & Regas, LLP

The primary focus of Greg's construction law practice are design professional liability, construction law and general liability litigation. He is both a practicing lawyer and registered civil engineer, and specializes in the representation of architects, engineers, contractors, owners and insurers in all aspects of construction law, including contract and defect claims, risk management, contract analysis and advice, and mechanics lien law.
