

# CANSTRUCTION A/E/C INDUSTRY DONATION DRIVE

Due to COVID-19, CANstruction 2020 has been cancelled, but Gleaners needs your help now more than ever! For every \$1 donated, Gleaners can feed 5 people. Gleaners has seen a staggering increase in Hoosiers needing the services during the pandemic. Please do what you can to help our communities during this time of need.

We want as many firms in the A/E/C industry to participate - so spread the word! **Our goal is to raise \$50,000 for Gleaners** as a competition among the architectural, engineering, and construction industry. We have been fortunate that our industry has been deemed essential and have been able to continue providing necessary services to our clients. Donating to those less fortunate is just one way we can make a bigger impact within our communities. The donation drive will run from **July 27th through August 28th**, with a tentative volunteer event at Gleaners in September. More information on the volunteer event will be coming in August.

## How will this work, you ask?

There will be three categories (disciplines): Architects; Engineers; Contractors. Each firm will have a point person responsible for getting your firm set up on the CANstruction/Gleaners website and under your correct category. (You can also choose to do this anonymously just by giving your firm name "Anonymous.") Each firm will then decide how they want to donate, but here are a few examples:

- Asking employees to donate under your firm name (could make it a game or competition)
- Asking employees to donate under your firm name, then the company matches
- The company will donate solely

**Here is the link to get started:** <http://support.gleaners.org/CANstruction>

To further promote healthy competition, each week we will be posting pictures of previous award entries for you to vote on your favorites. The winning entries will receive the 2020 prize for that category: **Best Meal, Best Use of Labels, Structural Ingenuity, Juror's Favorite, and People's Choice**.

The firm who raises the most money towards the donation drive will win the **2020 Most Cans** award. So, get ready to vote and donate! And, remember to encourage other firms to join the cause!

If you have any questions or need help in creating your team, please contact Heather or Megan:
