Adjudication

All entries will first be reviewed by the Design Excellence Committee to ensure each entry followed the stated rules before they are submitted to the 2022 Design Excellence Awards Jury.

Entries will be judged by the 2022 Design Excellence Jury, which will be composed of members from the AIA Charlotte chapter.

Jury members will represent a large cross section of our profession, with backgrounds in small and large practices, a variety of design sectors, allied professions, and architectural journalism.

All decisions of this jury are final and independent from AIA Indianapolis, its officers, directors, committee members, and staff. The Design Excellence Committee does not participate in the jury deliberations, but will organize the jury, ship and receive entries to and from the jury for deliberations, and facilitate preparation and presentation of the awards.

Recognition

In each category listed, a minimum of one Citation Award and one Merit Award may be awarded. At the jury's discretion, a single Honor Award may also be awarded in each category. The jury reserves the right to withhold awards due to lack of qualified entries within a category. The jury will also award an "Excellence in Architecture" award to the standout submission selected from all entries. There will also be an "Excellence in Sustainability" award, awarded to the project that best exemplifies a commitment to sustainability.

Presentation of Awards

The Awards Gala will be held at Indiana State Museum's Governor Frank & Judy O'Bannon Great Hall (650 W Washington Street, Indianapolis, IN 46204) on Thursday, January 27, 2022. Winners will not be notified prior to the event and are encouraged to attend and bring client representatives.
